PROGRAM

HOW TO SURVIVE ON YOUR AIRPORT

Come hear how you can make your airport a safer place on which to operate. Meet the local airport personnel and the entire eight-member Regional FAA Runway Incursion Action Team (RIAT). They'll all be there to brief you on what is happening nationally, regionally, and at St. Louis Lambert Airport. In addition, they want to hear what you have to say and answer any questions you may have about runway safety. The 1993 runway incursion accident at Lambert tragically illustrates the importance of this problem. Everyone operating on an airport holds the solution. Your attendance will be greatly appreciated.

HOW TO AVIATE, NAVIGATE AND COMMUNICATE TO STAY ALIVE ON YOUR AIRPORT

**A joint presentation on Runway Safety by FAA Flight Standards,
Airports and Air Traffic Control personnel.**

Directions to the meeting: The entrance is 1/4 mile north of I-70 on North Lindbergh Blvd (Route 67). The entrance can only be entered from north bound Lindbergh, just before you get to the old Henry the Eighth Hotel.
